PROFILE

I'm a skilled frontend developer with over +3 years of experience creating user-focused digital solutions.

I specialize in developing professional dashboards and robust educational as well as e-commerce platforms.

With a strong command of technologies like ReactJS, Redux, Redux Toolkit, Material-UI, Tailwind CSS, Axios, JWT and Bootstrap, combined with my passion for continuous improvement.

Beyond my technical expertise,

I'm valuing effective communication and continuous learning.

My dedication to excellence and problem-solving mindset enables me to tackle complex challenges and deliver outstanding results.

EDUCATION

Bachelor of Management and Information system

Sep 2016 -May 2019

Misr Higher Institute for commerce & computer
